**ORDER**

The First Motion to Amend the Amended Initial Case Management Order (Docket No. 42) is **GRANTED**. This motion basically asks for an extension of 60 days of all remaining deadlines, which will require a rescheduling of the trial. The court will extend these deadlines and reset the trial but informs the parties that further extensions of this sort that necessitate a resetting of the trial probably will not be looked upon favorably. The following new deadlines will apply:

1. Lay depositions shall be completed by November 1, 2013.
2. Plaintiff shall make expert disclosures by December 1, 2013, and defendants shall make expert disclosures by January 15, 2014.
3. Plaintiff's expert depositions shall be completed by February 15, 2014, and defense expert depositions shall be completed by March 15, 2014.
4. The joint mediation report should be filed by January 20, 2014.

5. Dispositive motions shall be filed by April 17, 2014.

All other terms and conditions of the Initial Case Management Order (Docket No. 35) shall remain in place. By separate order, the trial is being reset for September 23, 2014.

It is so **ORDERED**.

ENTER this 20th day of June 2013.
